Behavior Busters

Effective Ways to Address Problem Behaviors

Age Range of Students: Elem. MS HS
Level: & Learning Methods: Intermediate; Lecture, Group Participation

Problem behaviors are frequently addressed through crisis intervention, however they can often be avoided through proactive strategies and interventions.

This session will provide ways to prevent problem behaviors from turning into crisis behavior. Attendees will learn how to effectively define problem behaviors. The following will also be discussed: implementing classroom management systems/expectations, reinforcement strategies, group-based contingencies, how to provide effective feedback to students, movement/sensory interventions and more.

Learner Objectives

As a result of this activity, the participant will be able to:

- define behavior in operational and measurable terms
- identify effective vs. ineffective class-wide reinforcement systems
- define group-based contingencies and provide an example
- identify individualize strategies to address problem behaviors
- define and explain different types of schedules of reinforcement
